

Part number: CLS000001 - Model: CL-A

Dimension in mm

TECHNICAL CHARACTERISTICS

Temperature limits:	Max +70 °C
IP rating:	IP 67
Weight:	100g
Maximum working pressure:	12 Bar
Installation mode:	On the tank wall
Number of electrodes:	1
Electrode holder body material:	AISI316L
Electrode material:	AISI316L
Type of connection:	1 Screw terminal
Terminals protection cover:	PVC

Part number: CLS000001 - Model: CL-A
